Chamber Activities:

The Chamber hosted its annual Christmas Open House on December 17th. There was a big crowd in attendance and everyone enjoyed the food and the fellowship. We would like to especially thank Public Service Telephone Company, Georgia Power Company, and Abbott, Jordan & Koon for sponsoring our Open House this year. We greatly appreciate these companies and all that they do for our Chamber and our community.

We would also like to thank Doodle Bugs Café for catering our open house this year. They did a great job!

As most of you know, I was gone for several months from the Chamber and I just want to take this opportunity to thank all those people who helped keep it going in my absence. I hated being away, but I knew that with everyone pitching in and helping, it would be fine and it was! Our members and volunteers are the best and I appreciate each and everyone of you. Pam

HAPPY 2008

NEW CHAMBER MEMBERS

The Chamber would like to welcome Ken and Shirley Clark as our newest Chamber Members. They reside in the Box Springs area of Talbot County and we are very happy to have them.

CHAMBER MEETING

There will be no Chamber Meeting this month, due to the fact that it falls on a holiday. The next meeting will be February 18th, so make sure you plan to be there!

In the past few months the Talbot County Chamber has lost three wonderful members. Mr. Tommy Riggs with Junction City Mining, Mr. B. J. Rolison with Georgia Power Company and Mrs. Margaret Persons, who was also a faithful Chamber Volunteer for years. Each of these people contributed so much to this chamber and this community and they will be greatly missed.
