UPCOMING CHAMBER EVENTS

Saturday, June 4th is our Annual Kids Fishing Rodeo at Big Lazer WLMA. The fishing starts at 8:00 a.m. and goes until noon.. All kids must be accompanied by an adult and the ages are 3-15 years. Junction City Fire Department will be there as usual cooking hamburgers and hotdogs.

It's a fun day, so bring your children or grandchildren and make some memories. After noon adults get to fish free!

Our Annual Banquet is scheduled for June 20th, and Senator George Hooks will be our guest speaker. Invitations will be sent, so look for those in your mail and respond quickly! We always have a big crowd.

July 4th is our Annual Fire Works display at Upton's Lake on Hwy. 315. Every year it just gets bigger and bigger and we hope this year will be no exception. There will be plenty of food and live music to entertain you until the fireworks go off at dark. Bring a lawn chair or a blanket and prepare to see the best firework display in Georgia. And the best part, is that it's FREE!

Chamber Membership

Those renewing their membership in the Chamber this month are: Attorney Roger Montgomery.

Chamber Meeting

The next meeting of the Chamber will be Monday, May 16th at 7:00 p.m.

DISABILITY COVERAGE FOR EMPLOYEES

Group short term and long term disability products are very inexpensive solutions that make employees feel more secure and allow employers to obtain high quality employees.

Group short term disability products can be based upon a person's income or can also be purchased in flat amounts, like \$200 or \$300 per week of income based on a person's income. These policies can be set up to begin one day, one week or two weeks after an illness or one week to two weeks after an injury and can replace a portion of the employee's paycheck for up to 1 year depending on the product chosen.

Group long term disability products are typically based on a percentage of a person's income, such as 60%, and typically do not begin paying until 90 or 180 days after the disability has occurred.

The best news of all, there are discounts available on these products! Your Chamber of Commerce is helping small businesses offer more affordable employee benefits insurance products through its participation in Member Care Alliance.

All these products are available through participating chamber-member insurance agents. For more information call 1-800-782-8254 ext. 3014.
